Man it's almost like we know we're in a comic strip. Weird.

Hey weren't there supposed to be two other characters?

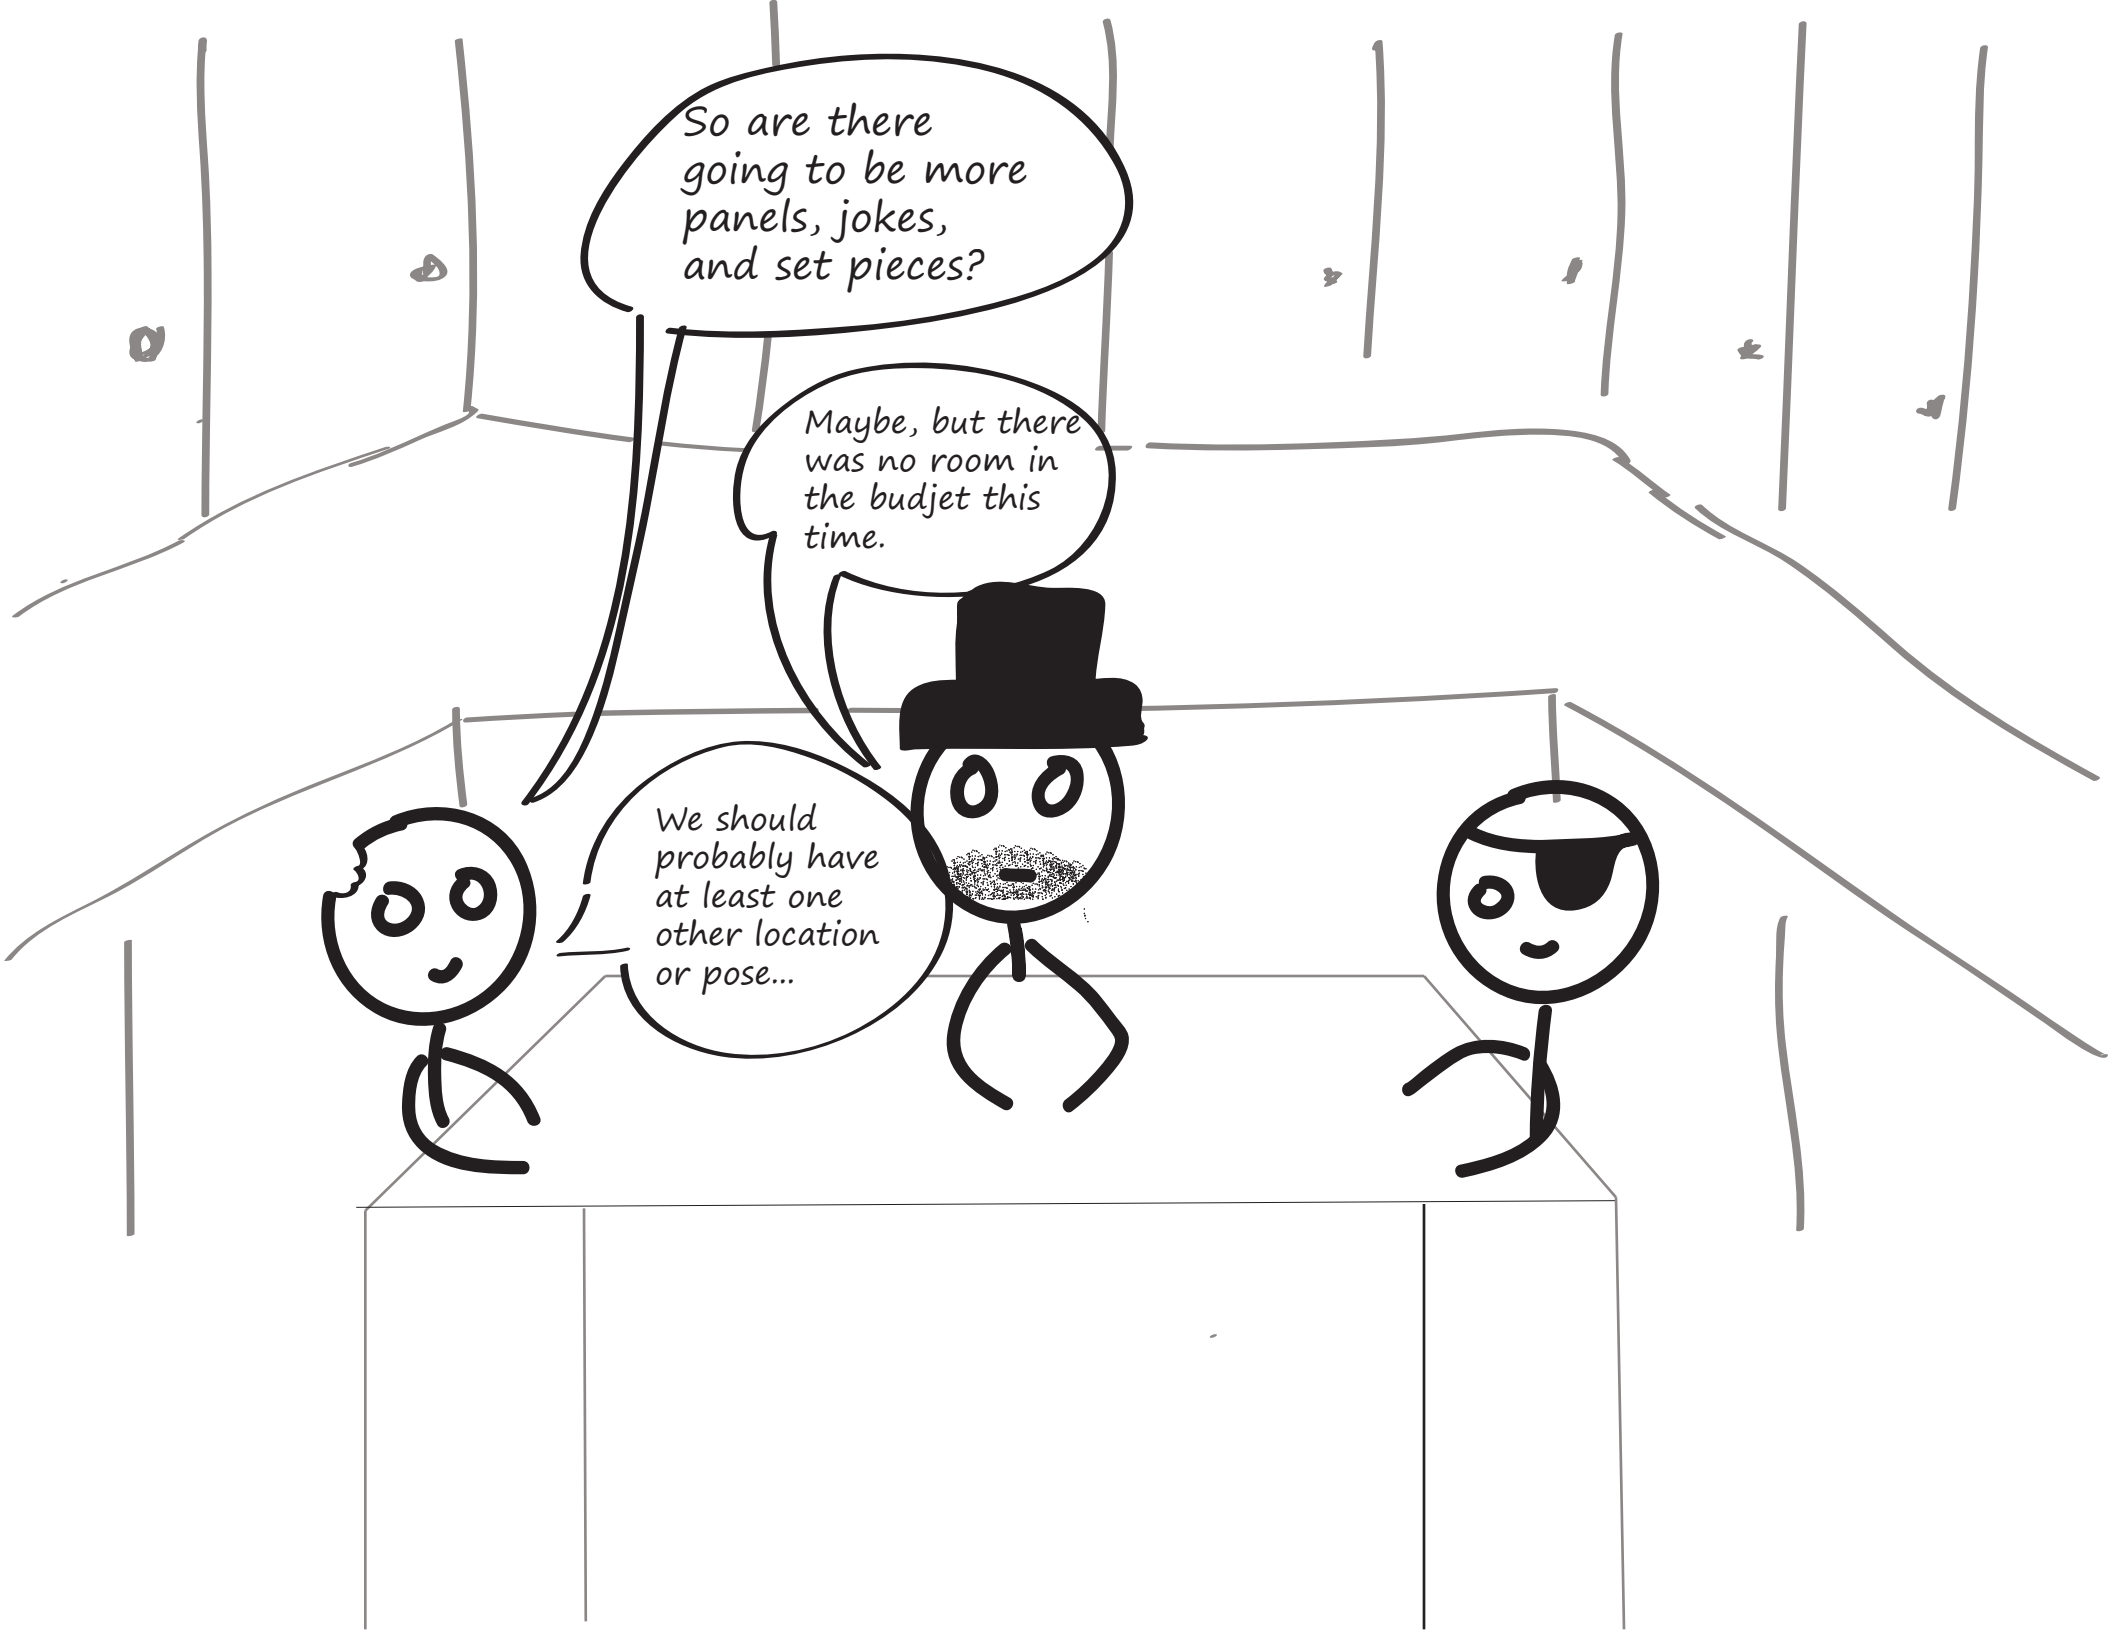

What, does the illustrator need time to play Skyrim?

No room in the budget.

Uh... no? he has... homework? Ya... homework.

There's no budget... no one is getting paid

Likely Story.

So are there going to be more panels, jokes, and set pieces?

Maybe, but there was no room in the budget this time.

We should probably have at least one other location or pose...
